Gastronomic restaurants

L'air de famille

With a menu scribbled on a large blackboard, created according to the morning market, this restaurant offers seasonal cuisine where vegetables figure prominently. Another rising chef, full of quality and inventiveness, who learned his trade at Sarran's.

Be sure to make a reservation, the place is very much in demand!

Starred or distinguished restaurants

Les Jardins de l'Opéra*

Located in an inner courtyard on the Place du Capitole (just behind the Grand Café de l'Opéra), the peaceful atmosphere agrees completely with Stéphane Tournié's cooking. Creative and full of flavour, it emphasises the Southwest region's products with talent.

 1 Place du Capitole

14/20 Gault&Millau

Cartouches

It would be impossible to count all the cartridges in the game bag here, between the wine list with a natural slant, the cured meats to nibble, the cut of meat to be shared, and, above all, the simple, flavorful market cooking. There is never a dull moment in the company of Nicolas Brousse and his wife, who treat their clients as if they were old friends.

Une table à deux

Trained in Toulouse, Morgane and Nicolas packed their bags for Korea and Malaysia, in search of new flavours. Back home, they've returned to Les Carmes to delight diners with their playful cuisine, which borrows as much from the Mediterranean as from more tropical climes with remarkable mastery and balance. Excellent value for money, especially at lunchtime.
